October 2-5, 2026

Dear Friends,

It is my great pleasure to extend my warmest congratulations to the North America Chinese Calligraphers Association and all of the partnering organizations on the 3rd New York International Chinese Calligraphy Exhibition.

Chinese calligraphy is a treasured cultural tradition that carries centuries of history, philosophy, and artistic expression. By bringing together nearly 150 calligraphy masterpieces and the scholarship of academics from around the world, this exhibition provides a wonderful opportunity to celebrate this rich tradition while fostering greater cultural exchange and appreciation in New York City.

I am especially proud that the Flushing Library in the district I represent will host "The Beauty of Calligraphy" Concert, an innovative program that brings together the beauty of calligraphy and the power of music. Flushing has long been a crossroads of cultures, and events like this demonstrate the important role our community plays in sharing our diverse cultural heritage with the entire city.

Please accept my best wishes for a successful and inspiring exhibition and for many more years of promoting the beauty of Chinese calligraphy and culture.

Sincerely,

Sandra Ung
